Subject: Acceptance of the Major Waste Tire Facility Permit Application for Waste Recovery West, Inc., San Joaquin County TPID No. 1608939

Dear Mr. Hope,

Department of Resources Recovery and Recycling (CalRecycle) staff have completed our review of the Major Waste Tire Facility Permit (WTFP) revision application package dated June 13, 2017, for Waste Recovery West Inc., TPID No. 1608939, located at 4554 S. El Dorado St, Stockton in San Joaquin County. CalRecycle staff have determined on May 8, 2015, that the application conforms to applicable requirements of Title 14, California Code of Regulations (14 CCR) Section 18423(b), and we are accepting the application package as complete.

Design or operation changes associated with the application package are not sanctioned until approved by CalRecycle via the issuance of the WTFP. Within 180 days of accepting a completed application, CalRecycle will determine whether to issue or deny a permit pursuant to 14 CCR Section 18425.

If you have any questions regarding your application package, please contact me at (916) 341-6405 or at Christine.Karl@CalRecycle.ca.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Christine Karl".
